PRODUCT DATA SHEET

Professional Heavy Duty
White Lithium Grease
Stock No. B-00007

BTS White Grease is a superior, multipurpose, all-weather, penetrating grease with a wide range of industrial applications. It is a high solids, water-resistant grease that contains rust and oxidation inhibitors to protect metal. BTS B-00007 reduces friction between surfaces of like or different materials, adheres better than oil and is temperature stable to withstand high and low temperature extremes. It stops squeaks and helps relieve mechanical sticking and friction problems. Its white color permits easy visual inspection – allowing for the quick identification of treated areas.

V.O.C.: Compliant with all U.S. State and Federal Regulations
